AAC WHITEHEAD VB CWHWS

A very high yielding CWHWS with resistance to wheat midge, with yields that rival the top CWRS varieties. The most agronomically advanced hard white spring wheat ever registered.

Highlights

- Significantly high yielding CWHWS
- Equal to top CWRS varieties
- Wheat midge tolerant
- Semi-dwarf
- Strong standability
- Strong rust resistance, '1' for FHB

WHITEHEAD, Barry

Barry John Whitehead was born in Hackney, London England November 20, 1946. Barry held multiple roles as a firefighter for over 30 years with the Canadian Army retiring in 1955. He was stationed across the world from Comox, BC to Lahr, West Germany. Barry is the Past President of the Yorkton Legion Branch #77.

FP Genetics is proud to partner with The Royal Canadian Legion, Saskatchewan Command and the work they do serving Veterans and their families. For that reason, many of our certified seed varieties bear the names of Veterans in honour of their service to our country.
